Dec. 20, 2008

Ladies and Gentlemen:

On **Saturday, April 25, 2009**, the Chinese-American Engineers and Scientists Association of Southern California (CESASC) will be holding its **47th Annual Convention & Awards, Scholarship Fundraiser, and Technical Symposium** at the Los Angeles Airport Hilton. We will honor three distinguished individuals with prestigious CESASC Achievement Awards. Their names will be announced later in a press conference.

Founded in 1962, CESASC is one of the largest and most established Chinese-American professional organizations in Southern California, and is dedicated to promoting the interests, aspirations and professional excellence of Chinese-American engineers and scientists. Over the past 47 years, CESASC has enjoyed continuous growth in membership and activities due to the support of our sponsors, including many major corporations, such as **The Aerospace Corporation, Amgen, Anna & John J. Sie Foundation, Boeing Company, Cathay Bank, China Airlines, Citigroup, Hilton, HSBC, Jet Propulsion Laboratory, Kingston Technology, Northrop Grumman, Pratt & Whitney, Raytheon, Southern California Edison, Walt Disney Imagineering**, etc. and other businesses and individuals.

Since 1969, CESASC has awarded distinguished individuals the CESASC Achievement Awards. The award recipients included Chinese-American Nobel Laureates, Members of US National Academy of Sciences and National Academy of Engineering, Corporate and University executives.

You can help us in two ways: Donating to **CESASC Scholarship Foundation Program** for awarding the one-time or yearly scholarships in your honor (see page 2) or donating to **CESASC Educational Program Sponsorship through Convention Journal Advertisement** for us conducting conventions, seminars, mentoring and internship programs, entrepreneurship programs, company tours, special events and other social/cultural enrichment programs (see page 3).

We look forward to hearing from you and thank you in advance for your support.

Sincerely,

David K. Lee
